Application Form Stage	Applicant has not answered relevant question in application or has not shown evidence of having faced and overcome significant adversity.	Some evidence of having faced and overcome significant adversity, elevating the applicant's achievements to a limited extent.	Reasonably strong evidence of having faced and overcome significant adversity, elevating the applicant's achievements to a significant extent.	Very strong evidence of having faced and overcome very significant adversity, elevating the applicant's achievements to a very significant extent.

## **Notes**

### **Application form questions**

Where a question on the application form is directed at a particular criterion this is noted for the assessor's reference. However, assessment of the relevant criterion is not limited to consideration of that question and can be assessed with reference to the whole application form.

### **Disability**

Our pupillage recruitment process must comply with our positive duty to make reasonable adjustments for disability, where known about, throughout the process. This is distinct from the discretion to take into account mitigating factors, which may also include disability. Chambers will take active steps to reduce the obstacles that disability presents in the application process. Where reasonable adjustments are requested, required or implemented this plays no part in marking applications or deciding whether to offer a candidate an interview or a pupillage. The Head of Pupillage should be made aware of any applicants for pupillage disclosing disability so that we can comply with our obligations. The Head of Pupillage is not involved in marking application forms or interviewing

**Applicants should answer the following questions in the application form:**

1. Are mandatory minimum sentences justified for some offences? If so, what factors should determine when and to which offences they should apply? (300 words maximum)
2. Please give an example of a time when you used your interpersonal skills in difficult circumstances. What was the situation, what did you want to achieve, what did you do, and what was the outcome? (200 words maximum)
3. Please give an example of a time when you had to carry out a challenging task under pressure. What was the situation, what did you want to achieve, what did you do, and what was the outcome? (200 words maximum)
4. If you have faced and overcome adversity in relation to education, health, or other personal circumstances in seeking a career at the Bar, and you believe this ought to be considered in assessing your application, please explain what challenge you have faced and what you have done to overcome it. (200 words maximum) - *This question is optional. It is intended to provide an opportunity for applicants who have overcome adversity to demonstrate this. Applicants are not required to answer this question if they feel it does not apply to them or if they would prefer not to. Answers to this question will not be marked for any criterion other than overcoming adversity.*
